CPS standard shirt back

Force Ware offers a brand new collection of innovative slash, cut and stab resistant garments. It is developed of the highest quality with a strong focus on comfort and weight reduction. It feels like a second skin, offering optimal protection.

DESCRIPTION

The CPS Shirt with long sleeves offers you an optimal protection but also cares for the person who's wearing it for a long period of time. Thanks to a high degree of breathability the garment is very comfortable. For different purposes different versions are available.

CPS moves along with your movements and doesn't annoy you while doing your job.

PROTECTION

Wearing CPS might save your life. It strongly reduces the risks that your vital organs get injured.

That is why the garments have been thoroughly tested under the following norms :

- ISO 13997 (1999) Cut Resistance by sharp object : 1 layer, level 4; 2 layers, level 5.
- ASTM F1790 (2005) Cut Resistance by sharp object : 1 layer, level 3; 2 layers, level 4.
- EN 388-6.2 (2003) Cut Resistance by blade : 1 layer, level 5; 2 layers, level 5.
- EN 388-6.4 (2003) Puncture Resistance: 1 layer, level 2; 2 layers, level 4.

DIVERSAL

- CPS has been practically tested against dog bites (no perforation on a 2 layers garment).
- It doesn't have any cytotoxicity effect (tested ISO 1099-5 (2009)). pH value is neutral: 6,6 (ISO 3071(2005)).
- The garment has a thumb loop to ensure proper positioning on the arms.

COLORS

- Light grey, dark grey (antrazith)

SIZES

- From XS up to 4XL

VERSIONS

The Standard shirt with long sleeves (1310010-01) is for regular using where only anti-cut and anti-slash is needed. In hot countries you may prefer a T-shirt version with short sleeves (1310010-02). The shirt is also available as polo shirt with long sleeves (1310010-03) and short sleeves (1310010-04).
