# HEADLAMP LEDLENSER MH3

## High-quality Headlamp

The headlamp Ledlenser MH3 is stylish and compact. With just a few hand movements, you can transform your MH3 from a headlamp to a multipurpose light. The innovative mounting system is easy to use and the clip on the lamp head makes securing it to your shirt or belt simple. And of course, the MH3 gives you maximum flexibility when used as a headlamp: the Advanced Focus System allows for quick and easy beam adjustment and the smooth swivel mechanism always directs the light exactly where you need it.

- ✓ Innovative mounting system allows for simple removal and positioning of the lamp head for maximum flexibility
- ✓ Several fastening options thanks to metal clip on the lamp head
- ✓ Smooth swivel mechanism for light beam alignment down to the millimeter
- ✓ Favorable performance/weight ratio: 200 Lumens at 92 g (3.25 oz)
- ✓ Advanced Focus System for easy and intuitive adjustment of the light beam

# DATA SHEET
