HOOK AND LINE KIT HLK5

Comprehensive Hook and Line Kit for moving suspect devices from safe distances

The comprehensive Hook and Line Kit HLK5 combines the advantages of Hook and Line Kit 2 and Hook and Line Kit 4. It contains several self-gripping tools, hooks and lines for advanced applications. Telescopic pole and spring hooks allow the line to be attached to suspicious objects from a distance. Automatically opening snatch blocks and doorway anchors permit to direct suspect objects along complicate ways in buildings. The suction pads are very helpful when working on plane surfaces like metal or glass (e.g., cars, trucks, doors, windows), shock cords are very handy once working on a vehicle. Also included are two 120 m (394 ft) Kevlar ropes on metal reels and a robust case.

- ✓ Combines the advantages of Hook and Line Kit 2 and Hook and Line Kit 4
- ✓ Several self-gripping tools and lines for advanced applications
- ✓ Automatically opening snatch blocks and doorway anchors for directing suspect objects along complicate ways in buildings
- ✓ Telescopic pole and spring hooks allow the line to be attached to suspicious objects from a distance
